

## About Our Volunteers

Homebound delivery service volunteers are positive, cheerful, enthusiastic and patient.

Homebound volunteers spend an average of four hours per month serving our homebound patrons, and they use their own vehicle to make the deliveries.

Homebound volunteers provide vital links of friendship and service to our homebound patrons.

We are eternally grateful to our volunteers.

## How Do I Get The Material I Request?

Your volunteer will select materials based on your initial interview with the Homebound Coordinator. You work directly with your volunteer to schedule a delivery time/date that works best for both of you.
