Volunteer Learner Coordinator Job Description

Importance of Position

Many people don't know about the far reaches of illiteracy. Think of the things that you could not do without reading: getting or maintaining a job, reading labels, ordering food in a restaurant, or understanding the foreign language spoken all around you. These are just some of the challenges an illiterate person faces. The Learner Coordinator helps manage the diverse needs of adult learners in the literacy program.

- 📖 Check in with learner goals.
- 📖 Check to see if the learner has other needs that are impeding progress in tutoring.
- 📖 Keep track of contacts with learners, referrals to other services and progress.
